A Word from the Executive Director

Dear Friends of Agape,

I am hopeful as you read the Agape 2022 Impact Report that you are amazed at what God is doing in the lives of men and women facing unplanned pregnancies in Des Moines. Through partners like you, God is making a way to provide help, hope, relationship, and support to everyone who walks through our doors.

This year has been filled with historic highs and unprecedented lows. From the national to the local stage, we have seen the hearts of men... and we have seen the heart of our God. Men's hearts are ever-changing, but our God never changes. He continually reveals who He is – our constant, our shelter in the storm, the creator of life, and the sustainer of all.

Light cannot be fully appreciated without darkness. Rescue cannot be acknowledged without crisis. This year we have seen the darkness and we have seen the "Rescuer" like never before. We have witnessed in new and real ways that we are not alone. Christ is with us. You are with us. Throughout every high and low, every hurdle and hill, we have sought to know the heart of our Savior and stay focused on serving like Him. We come every day to serve because we love Jesus, and we desire to love who He loves.

As I wrap up this year, I reflect on the 2022 theme verse that was chosen one year ago. Not knowing what would come, I was drawn to Ephesians 6:10 which says, **"Finally, be strong in the Lord and in the strength of His might."** This year we have **STOOD** strong because of knowing Him. We have **BEEN** strong because of His mighty power.

Let us celebrate all that God has done and has yet to do through every single page of this report. Let every reflection, testimony, and word be a fragrant aroma of worship from our heart to God's.

For His glory and His fame,

Leanna Simpson

Clinic Update

A YEAR IN REVIEW...

-  **1198** TOTAL CLINIC APPOINTMENTS
-  **497** PREGNANCY TESTS
-  **396** SONOGRAMS
-  **305** STD TESTS

LOOKING BACK...

The clinic provides expectant mothers and families the support they need in a time when they need it most. It is a big step for many of the people we serve to walk through our clinic doors. They feel scared, nervous, anxious, and alone. We meet them in these moments with help and hope, care and compassion.

LOOKING FORWARD...

We are excited to be able to build our clinical services through the leadership of our expanded clinical team. We have launched our satellite location in Indianola, IA. We hope to add additional services over this next year.

Resource Center Update

A YEAR IN REVIEW...

- 💡 **3097** TOTAL RESOURCE APPOINTMENTS
- 💡 **1579** CLASSES
- 💡 **1278** BOUTIQUE APPOINTMENTS
- 💡 **240** CASE MANAGEMENT
- 💡 **4295** TOTAL AGAPE APPOINTMENTS

LOOKING BACK...

Through our resource center, we support families by educating, equipping, and empowering them to the task of parenting. We firmly believe that it is not only about being on the front lines in the crisis moments but also about changing and making a better life and future for parents and children.

LOOKING FORWARD...

We are excited to be launching and expanding our services through our new Agape University program. Agape uses a wholistic and comprehensive approach that encapsulates the physical, economic, educational, and communal insufficiencies of those we serve. As all these needs are addressed, our ultimate desire is to meet everyone at their core insufficiency - their need for a Savior.

Future Vision

THE AGAPE CAMPUS EXPANSION

The Agape Campus Expansion has been an ongoing dream for several years. The overall project will address the property flooding, lighting, and outdoor space needs. The complete renovation of the grounds will culminate with the demolition of the blue house and the current parking lots on the west side of the clinic. It will include creating a water diversion system, an outdoor classroom, a new parking lot, and allow the basement of the clinic to be developed into additional client service space.

The Agape Campus Expansion's overall estimated cost is \$750,000 and is a God-sized miracle undertaking! So far, over \$300,000 has been donated towards this project. Please continue to join us in prayer for the remaining \$450,000 to be raised to complete this expansion!

2022 Financials

Through your contributions, the Lord has used each of you! He has taken each gift and used it to meet every life that walks through our doors, born or unborn. Thank you!

EXPENSES

SUPPORT

Praise the Lord! He has provided beyond our current year's operational needs through your generosity! We plan to use the surplus toward next year's operational expenses and unforeseen needs. Please join us in prayer over our financial stewardship of these resources in this coming year to meet and serve those facing unplanned pregnancies!
