

A close-up photograph of two newborn babies lying side-by-side in a basket. The baby on the left is wearing a brown ribbed onesie, and the baby on the right is wearing a grey ribbed onesie. Both babies have their eyes closed and are surrounded by several hands of different skin tones, which are gently touching their heads and bodies. The basket's lining is a soft, white, curly material.

PREGNANCY
RESOURCE CENTER

Within our walls, we reflect His heart by showing every single person that they are fully seen, yet fully loved.

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Dear Friends of Agape,

As you read the 2023 Impact Report, I pray that you are amazed and inspired at how God is using your center to impact the lives of men, women, and babies in Des Moines, Indianola, and beyond.

Over the last 38 years of ministry, we have continually been shown the heart of our God. Within our walls, we reflect *His* heart by showing every single person that they are *fully seen, yet fully loved*. They walk through our doors feeling hopeless. We sit in the rooms, and we offer them hope beyond their current circumstances. This moment extends to the very core of their being.

They sense the palpable, yet unspoken in us...the thing that they cannot even name. ***We know His name...Jesus Christ.***

Soli Deo Gloria,

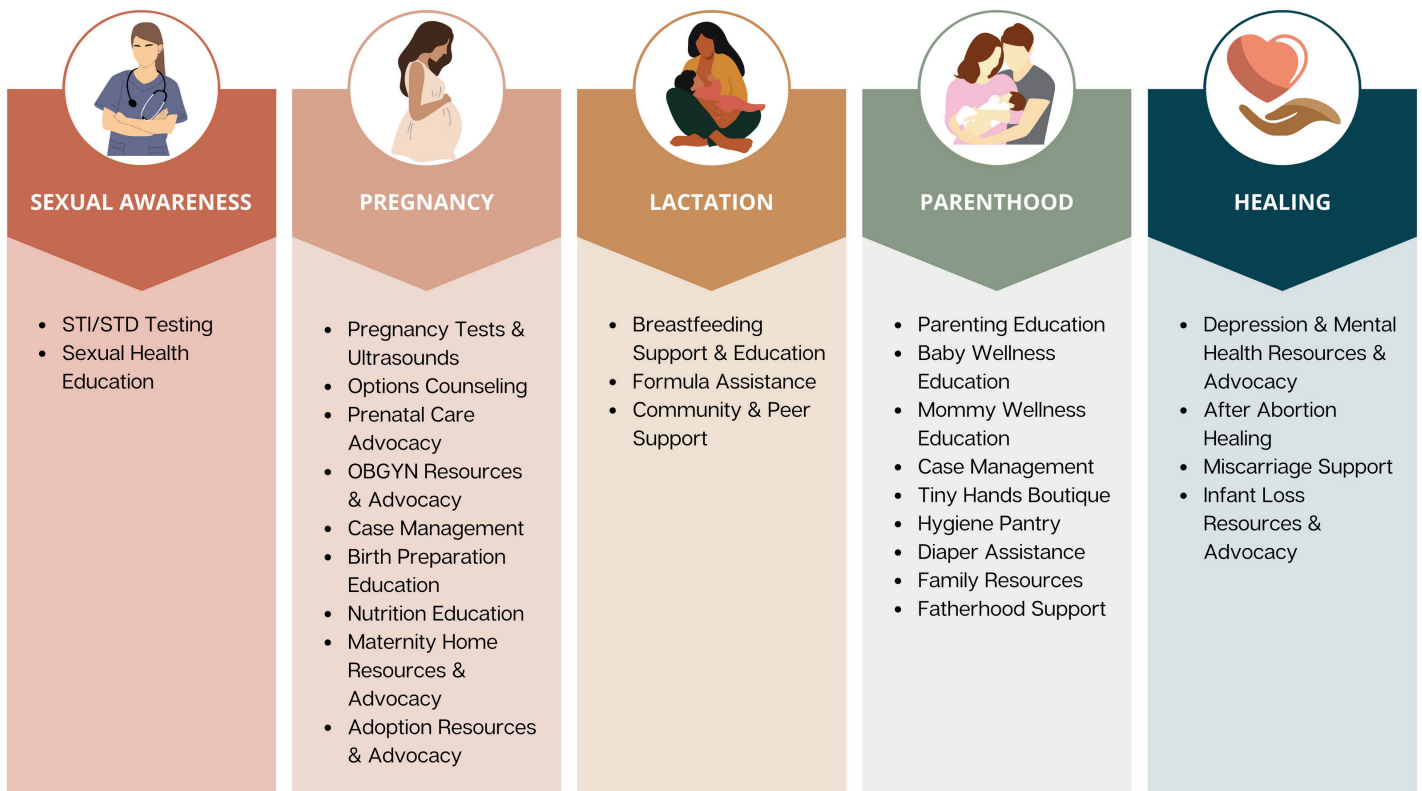

LEANNA SIMPSON
Executive Director

It is to Him that we give glory for every single testimony, life decision, and outcome within these pages. May God continue to provide growing opportunities for us to shine His light of hope and love for all to see in this coming year and beyond!

OUR MISSION

Agape Pregnancy Resource Center demonstrates the truth and unconditional love of Jesus in a safe and confidential environment to women, men, and families experiencing pregnancy or the effects of sexual relationships.

MY AGAPE STORY

I began my first visit at Agape by sharing my story with the staff. The whole, messy story. No filter, no edits, just the truth. I was so surprised – they welcomed me with open arms and no judgment. They listened to me and encouraged me. They saw that I was vulnerable, and I needed help. They helped me express some goals and helped me reach the goals that I didn't even believe, in the beginning, that I could reach. But you know what? They believed in me, and I started to believe in myself.

OUR NEW FATHERHOOD PROGRAM

It's a BIG Deal!

Mustafa recently completed his "Behind the Wheel" driving course through DMAACC. He now has his CDL! When he first came to Agape, he set the goal of becoming a truck driver so he could better provide for his growing family!

At Agape, we provide education, mentoring, support, and connections for fathers just like Mustafa. Our new Fatherhood Program Coordinator believes that within every man there is the desire to lead, protect, and love their families in new, deeper, and better ways.

MISSION ACCOMPLISHED!

2023 FINANCIALS

Through your contributions, the Lord has taken each gift and used it to meet every life that walks through our doors, born or preborn. Thank you!

EXPENSES

SUPPORT

Praise the Lord! He has provided beyond our current year's operational needs through your generosity! We plan to use the surplus toward next year's operational expenses and unforeseen needs. Please join us in prayer over our financial stewardship of these resources in the coming year, as we serve those facing unplanned pregnancies.

AGAPE CAMPUS EXPANSION

PHASE 1 - Completed!

The first phase of our campus expansion has been completed! The overall project has addressed the property flooding, lighting, and safety issues. The final cost came to over \$827,000 and was a God-sized miracle in the making. Praise the Lord for what He has done and has yet to do!

PHASE 2 - A Future Vision

The second phase of our campus expansion is a community center on the lower level of the clinic. This space will allow us to invite churches, small groups, and our supporters to volunteer and engage our community in impactful ways. With two offices, a full kitchen, a large training space, and a large conference room, we are planning on God doing BIG things! This project will cost approximately \$650,000 to complete. God has already provided \$150,000 toward this project! Please join us in prayer for the remaining funds to be raised to complete this expansion.
