

This year, AGAPE is celebrating 40 Years of Impact in the Des Moines metro area! That's 40 years of offering life-affirming services to the vulnerable pre-born, moms, dads, and families in our community.

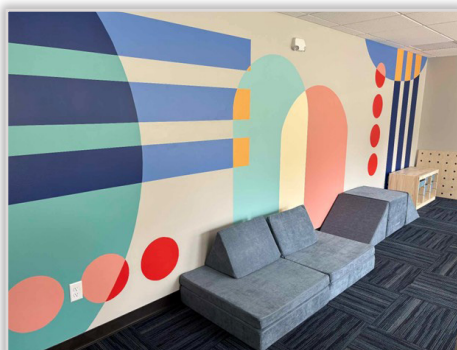

### **But 40 years is just the beginning.**

God has faithfully carried us through four decades of ministry—and He's not finished yet. As we reflect on our legacy, we are also looking forward, boldly stepping into what's next.

### **That next chapter begins now—with the Family Community Center.**

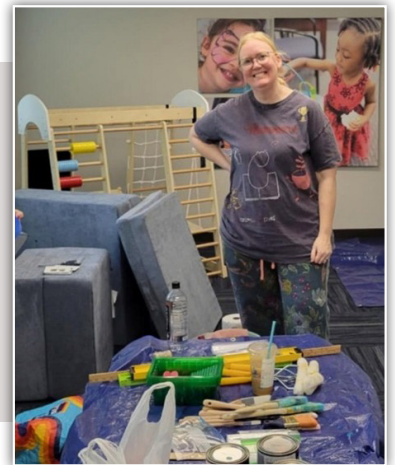

Born from our continued passion to serve Him in fresh and meaningful ways, this new space will allow us to expand our reach, deepen relationships, and meet the ever-changing needs of families in our community. It's more than a building—it's a vision for future ministry, rooted in the same hope and love that has defined AGAPE from the start.

#### DID YOU KNOW?

We have served 117 men in becoming dynamic fathers through our fatherhood program!

## An AGAPE Story

Deep in heroin addiction, pregnant with twins, and nowhere to turn... that is when AGAPE intersected her story. Healthy twin boys were born and placed in a loving home through adoption. Because of your partnership, the work of AGAPE provided a lifeline to this hopeless situation with the HOPE of Jesus Christ. Thank YOU!

## AGAPE Celebrates Opening of New Family Community Center

AGAPE officially opened the doors to its brand-new Family Community Center with a joyful ribbon cutting ceremony on July 17, 2025. The event marked a significant milestone in AGAPE's 40-year mission to serve local families through love, connection, and community support.

The celebration brought together members of the church, community leaders, and AGAPE supporters to tour the new space. The energy was full of gratitude and excitement as attendees explored the new center—designed to be a welcoming place for families to gather, grow, and receive support.

“This space represents more than just a building—it’s a place where lives will be changed,” said Simpson during her remarks. “We are so grateful to everyone who helped make this dream a reality.”

**Thank you to everyone who attended our ribbon cutting ceremony!**

Your presence helped launch a space where hope, healing, and community will continue to grow.
