OCTOBER 2026 PRAYER REQUESTS

Client

- Pray for a client who is struggling to find safe and stable housing. Pray that the right door would open soon, providing a secure place for her and her family.

Donor

- The Walk for Life is coming up soon on October 17! Please pray for strong participation, meaningful conversations, and for God to use this event to bring our community together in support of life.
- A donor is awaiting results from his oncologist – pray for good numbers, encouraging news, peace in the waiting, and wisdom for the doctors.

Staff

- Many of our staff are walking through difficult circumstances in their personal lives. Ask the Lord to refresh and renew them, give them strength for each day, and remind them that He is near to them in the midst of their own hardships.

Volunteer

- Please pray for the mother-in-law of one of our faithful volunteers, whose health has been declining rapidly following a cancer diagnosis. Pray for God's peace and comfort for her and her family, and for strength and grace as they walk through this difficult season together.

OCTOBER 2026 PRAISES

- Praise God for the opportunity to hear that a client who initially came to AGAPE abortion-minded ultimately chose to continue her pregnancy. We are thankful for the chance to walk alongside her, offer support and resources, and celebrate the life of her baby. We give God all the glory for this beautiful outcome!

- Praise God for the many people who have stepped forward to support AGAPE and the upcoming Walk for Life. We are thankful for the churches, businesses, families, and individuals who have embraced the mission and are helping us prepare for this first-ever event!

- We are thanking God for providing the right person to join our team as Director of Faith and Fatherhood Initiatives! We are thrilled for the opportunity to expand this important area of ministry and look forward to seeing how God will use this new role to strengthen fathers, families, and the work of AGAPE.

- Praise God for the healing and recovery of a volunteer's father, who spent more than six weeks in the hospital following a decline in his health after heart surgery. We are thankful that he is now home and recovering well!
