AGAPE
Providing Help. Giving Hope.

NOVEMBER 2026 PRAYER REQUESTS

Client

- Please pray that as we enter the holiday season, the Lord would bring many clients through our doors and that His love would be evident in every interaction. May each person who comes to AGAPE experience His compassion, find hope, and come to know Him more deeply.

Donor

- Please pray for our donor's father-in-law following a fall that required hospitalization. Pray that his injuries are minor and that he experiences a smooth and speedy recovery.

Staff

- Please pray for renewed strength, vigor, and endurance for our staff. May the Lord sustain them in their work, refresh their spirits, and equip them to serve each woman and family with compassion, wisdom, and grace.

Volunteer

- Please continue praying for our volunteer's mother-in-law as her health declines following a cancer diagnosis. Pray for God's peace, comfort, and strength for her and her family.
- Please pray for our volunteer as they prepare for another ankle surgery in November following their initial surgery in June. Pray for a successful procedure, healing, and a smooth recovery.

Providing Help. Giving Hope.

NOVEMBER 2026 PRAISES

- We praise God for the success of our first Walk for Life on October 17, with 150 people showing up to support life! We are especially thankful for the way our community came together in a public way to stand for life and make their support for mothers, babies, and families known. What a powerful testimony to the strength of a community willing to stand together for life!

- We praise God for October being Missions Month and for the opportunity to visit churches to share the heart and mission of AGAPE! We are thankful for each congregation that welcomed us and gave us the opportunity to share how the Lord is working in the lives of the women, babies, and families we serve.

- We praise God for the opportunities to walk alongside women and families during some of the most important moments of their lives. We are thankful for every life touched, every family encouraged, and every opportunity to share the hope and love of Christ!

- We praise God for the faithful donors who make AGAPE's ministry possible! Their generosity allows us to continue providing life-affirming care, practical resources, and the love of Christ to women, babies, and families throughout our community.
